REQUEST FOR CERTIFICATE OF CORRECTION PURSUANT TO
37 C.F.R. 1.322

Dear Sir:

Transmitted herewith is a Certificate of Correction for U.S. Patent 7,147,378, issued December 12, 2006. Upon reviewing the claims, the patentee noted that the following typographical errors were made by the Patent and Trademark Office, which should be corrected as follows:

In column 11, line 37, change "resins", to --resin--. As to the error, a review of the text as originally filed confirms that the error was made in the printing of the patent.

In column 11, line 58, change "distribute" to --distributed--. As to the error, a review of the text as originally filed confirms that the error was made in the printing of the patent.

Since the errors for which a Certificate of Correction is sought were a result of a Patent and Trademark Office error in printing, no fee is due (35 U.S.C. 254).

Respectfully submitted,

Carol A. Lewis-White
